Subjects.

I. Consideration of accounts of receipts and disbursements with Auditor's report and also vital and other statistics for the month of February 1903.

Resolved that the accounts be passed with the remark that the cost of laying on pipe for house connections to the Health Officer's residence be recovered from him. The temporary gang employed under the Health Officer for clearing silt in the main drains be dispensed with. The temporary Sub-Overseers be employed to help collection mutsaddis in recovering the arrears of house-tax. The Head Master of the Anglo-Vernacular School at Ittigegud be requested to send his School attendance statement. Excepting in exceptional cases, the contractors be paid only on the completion of the work. The Health Officer and the School Inspector be asked to send in the statement of the duties performed by them every month without fail.

II. Municipal Commissioner Mr. M. Madappa's proposition that only applications for licenses to build new houses may be referred to the Health Officer and that applications for license to repair houses, etc., may be referred to the Mohalla Commissioners to save delay in their disposal.

Resolved that applications for license to repair houses be referred to the Mohalla Commissioners for their opinion and that the present practice of referring them to the Health Officer for his opinion be discontinued.

III. Vice-President's Memo dated 28th November 1902, proposing the employment of a fitter for repairing cocks etc., and proposing a reduction in the number of cleaners employed to meet the cost of the proposed expenditure.

Withdrawn.

IV. Hessarghatta Division Executive Engineer's inspection note suggesting that the whole water works should be transferred to the management of the Public Works Department as in Bangalore.

Adjourned to the next meeting, as the information asked for by the Board, whether there would be any additional cost in the maintenance of the works, has not been furnished by the Executive Engineer, Hessarghatta Water-Supply Division.

V. Docket No. 10675—L. F. 5202, dated 21st January 1903, from the Government Secretary, requesting to report the special circumstances, if any, under which the Board arrived at a resolution contrary to the Health Officer's opinion and permitted Galuvinangadi Madappa to construct a building on his vacant land.

Resolved that Government be informed that the following circumstances led the Board to arrive at their resolution to permit Galuvinangadi Madappa to build his shop.

(1) In this case Galuvinangadi Madappa applied to build a shop on the vacant site. This application had to be dealt with under Section 116 of the Municipal Regulations, and the application could not be summarily refused.

(2) The prohibition of building upon this single site was considered by the Board as of no special sanitary improvement in this locality. Any improvement here to be of benefit would mean an opening out of a big lane by demolishing all the houses behind this shop and up to the Landsdowne Bazaars. This would mean

an expenditure of about Rs. 10,000 and even at this cost, this improvement would benefit a single family.

(3) In regard to storing grain being objectionable from the Health Officer's point of view, it was found by the Board that there were series of grain shops on either side of this building. Preventing therefore of storing of grain in this one shop would be of no avail.

(4) Between Madappa's shop and Mr. Krishna Rao's house, there is a sufficiently wide lane rendered wider by Madappa himself by setting back his new building to afford facilities for ventilation and sun-light to Mr. Krishna Rao's house.

VI. Municipal Commissioner Mr. Subbanna's proposition suggesting to remove the Octroi office to the eastern wing of Devaraj market and to make use of the adjoining vacant site as cart-stand for carts coming to the Octroi office with dutiable articles.

Resolved that the Octroi office be removed to the eastern wing of the Devaraj market.

VII. Municipal Commissioner Messrs. Madappa, Anantharajiah, Abubukar Sait and Hussain Ali Baig Sab, suggesting the introduction within the City limits of the "Act to prevent Cruelty to Animals."

Resolved that the letter be forwarded to the District Magistrate for disposal.

VIII. Vice-President's Memo, dated 6th February 1903, recommending that the turnkeys may be allowed to receive payment for laying on pipes for house-connections.

Adjourned to the next meeting.

IX. Vice-President's memo dated 26th November 1902, recommending that one-half of the sale proceeds of the materials of the demolished houses in Gowligarkere may be paid to the persons whose houses were demolished.

Resolved that fifty per cent of the sale proceeds of materials be given to the persons whose houses were demolished.

X. Docket No. 11890-1—L. F. 185-92, dated 16th February 1903, from the Secretary, Revenue and General Departments, forwarding copy of a letter dated 21st January 1903, from Messrs. Ponnu & Co. of Madras, to the address of the Dewan, offering to supply all Municipal requisitions and requesting that they may be patronized.

Recorded.

XI. Municipal Commissioner Mr. Hussain Ali Baig's proposition suggesting to introduce a tax on bricks imported into the City.

Withdrawn.

XII. Government Proceedings No. 13321—L. F. 178-02, dated 4th March 1903, sanctioning the Board's recommendation to raise the Municipal grant-in-aid to Dalavoy's Anglo-Sanskrit School and some other pial-schools.

Recorded.

XIII. Correspondence ending with Secretary's docket No. 13257—L. F. 303-96, dated 3rd instant, regarding the selling of the site of the demolished house of Shamasastri in Krishnavilas Agrahar at Mysore to Mr. H. Krishna Rao for one-half of the cost of the site.

The Board sanction the sale of land to Mr. H. Krishna Rao.

XIV. Docket No. 13292—L. F. 52-92, dated 4th March 1903, from the Secretary to Government, Revenue and General Departments, requesting to report for final orders with the Board's opinion regarding the grant of a piece of land to the east of his bungalow applied for by Mr. H. Lingaraj Urs.

The land may be sold to Mr. H. Lingaraj Urs at two annas per square yard on the condition that he does not build on it.

XV. Hessarghatta Division Executive Engineer's No. 229, dated 21st February 1903, forwarding for countersignature and return, an estimate for Rs. 1,200 being the probable cost of the maintenance of the turbines at Belagola.

Sanctioned.

XVI. Mysore Division Executive Engineer's docket No. 188, dated 21st February 1903, forwarding a revised estimate, with report, amounting to Rs. 3,790 for completing improvements to Jeevanrayankere.

Adjourned to next meeting.

XVII. Municipal Commissioner Mr. Narasimhasamy's application requesting to construct a public charitable fountain in the name of his father Mr. Kalinga Chetty in Soppinakola street, Krishnarajmohalla, and to intimate the cost thereof for remittance.

Adjourned to next meeting.

XVIII. Vice-President's memo dated 11th March 1903, bringing to notice that oil contractor Rahimatulla Sait has failed to supply standard "Elephant Brand" as per mutchalica executed by him at the time of entering into contract.

Adjourned to next meeting.

XIX. Municipal Commissioner Mr. Abubukar Sait's proposition suggesting that the Municipal Commissioners may be allowed to send their official covers through the Post office as they will be put to much inconvenience at times as only one peon has been allowed for two Commissioners of the Mohalla.

Adjourned to next meeting.

XX. Vice-President's memo, dated 14th March 1903, for an additional grant of Rs. 5,000 for road works and repairs to buildings.

The Government be moved to sanction this amount from the general balance and that pending sanction, expenditure be incurred for the necessary repairs.

Notification dated 29th April 1903.

The right to collect tolls in the City of Mysore (subject to the provisions contained in Sections 49 and 51 of the Municipal Regulations) at the toll-gates specified in Schedule A, from the 1st July 1903 to the 30th June 1904, will be sold by public auction in the Rangacharlu Memorial Hall by the President or any other officer deputed for the purpose at 1 o'clock on the afternoon of the 16th May 1903.

2. The contractors who purchase the right must collect tolls at the rates mentioned in Schedule B on in-coming traffic only and at no higher rates, and shall be bound to furnish receipts in the form prescribed by the President, duly dated, to the parties paying tolls.

3. The President reserves to himself the power of refusing or accepting the highest or any bid that may be offered.

4. The contract amount is payable in twelve equal monthly instalments due on or before the 10th of the following months. The contractors shall pay, as soon as the sale is over, a deposit equal to two monthly instalments for the due performance of the contract. The amount in deposit will, if the conditions of the contract are complied with, be credited towards the instalments due for the last two months of the contract.

5. If the deposit is not made immediately after the close of the sale, the contract will be re-sold at the risk of the approved bidder. If default is made in the payment of instalments, the contractors will forfeit the deposit and the unexpired portion of the contract will also be liable to be sold and the deficit will be recovered from the contractors, who shall not be entitled to the profit, if any.

6. The contractors are also bound to keep an account showing the daily collections etc., in the form specified by the President and it shall be submitted by the contractors every month for the inspection of the President and shall also be open to inspection by the Sayer and Municipal authorities.

7. They shall also be bound to keep true account of traffic passing through the gates as specified in para 6, for which purpose they shall bind themselves to maintain at their own cost a resident mutsaddi at each Toll-gate.

8. The contractors will have the use of existing toll-houses and gates, and they will be required to keep them in good order.

9. No tolls will be levied on the following :—

(1) Vehicles bearing Municipal numbers or possessing passes of the City Municipality and on carriages or carts, and animals, the property of, or employed by, Government or the

Municipal Commission or licensed or registered by the said Commission: and that no more than one payment of toll shall be demanded, for and in respect of, any carriage or cart or animal, in any one period of twenty-four hours counted from midnight to midnight.

(2) All vehicles and animals used for the passage of Troops and Military or Government Stores and equipages on their march, or of Military, Civil, or Police Officers on duty, or of any person or property in their custody, and vehicles and animals belonging to the Palace Department.
